## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Members  
Circle C Homeowners Association, Inc.

We have audited the accompanying financial statements of Circle C Homeowners Association, Inc., which are comprised of the balance sheet as of December 31, 2020, and the related statement of revenues, expenses, and changes in members' equity and cash flows for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Circle C Homeowners Association, Inc. as of December 31, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the information on future major repairs and replacements of common property at the end of the report be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**CIRCLE C HOMEOWNERS ASSOCIATION, INC.  
NOTES TO FINANCIAL STATEMENTS**

**Note 1: NATURE OF ORGANIZATION**

Circle C Homeowners Association, Inc. (the Association) was incorporated on March 8, 1988, in the State of Texas as a non-profit corporation for the purposes of operating an association for the social welfare and benefit of the lot owners and to preserve and maintain the common property which includes landscaped common areas owned by the City of Austin, the Circle C Pool facility, and the Circle C Community Center. The Association consists of approximately 5,645 lots as of December 31, 2020. The Association is located in Austin, Travis County, Texas.

**Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting

These audited financial statements have been prepared on the accrual basis method of accounting. Using this method of accounting, revenues and accounts receivable are recognized when earned regardless of when cash is received. Revenues received prior to being earned are reported as prepaid assessments. Expenses and accounts payable are recognized when the obligation is incurred regardless of when cash is disbursed. Expenses paid before being obligated are reported as prepaid expenses.

Accounts Receivable

Assessments receivable at December 31, 2020, represent assessments due from homeowners. Prepaid assessments at December 31, 2020, represent assessments paid in advance by homeowners. The Association values accounts receivable using an allowance for uncollectible accounts. The Association estimates the collectibility of assessments receivable and adjusts the allowance accordingly.

Fixed Assets

The Association capitalizes all common property and equipment to which it has title or other evidence of ownership. Property not capitalized at December 31, 2020, includes approximately three lots donated by a homebuilder and twenty common areas. The Association is responsible for preserving and maintaining the common property.

Personal property acquired by the Association is recorded at cost and property contributed to the Association by the developer is recorded at estimated fair market value at the date of contribution. Property and equipment are depreciated over the useful life of the property using the straight-line method of depreciation. Depreciation expense for 2020 was approximately \$197,432.

**CIRCLE C HOMEOWNERS ASSOCIATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Continued)**

Member Assessments

Association members are subject to semi-annual assessments that provide funds for the Association's operating expenses, fixed asset purchases, capital acquisitions, and major repairs and replacements. The Association may make special assessments from time to time as approved by a vote of 2/3 of the property owners.

The Association's policy is to place liens on owner's lots whose assessments are one hundred twenty days or more delinquent. Any excess assessments at year-end are retained by the Association for use in the succeeding year.

Cash and Cash Equivalents

The Association considers all liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Investments

Investments consist of money market funds with readily determinable fair values and are stated in the financial statements at fair market value.

**Note 3: FEDERAL INCOME TAXES**

The Association may annually elect to be taxed as a regular corporation under Internal Revenue Code Section 277 or as a homeowners' association under Internal Revenue Code Section 528. The Association elected to be taxed as a homeowners' association for the year ended December 31, 2020. Taxable income arises from amounts received from nonmembers of the Association including interest earned on reserve funds. The Association had no federal income tax liability for 2020.

The Association is required to file either Form 1120, U.S. Corporation Income Tax Return, or Form 1120-H, U.S. Income Tax Return for Homeowners Associations. These tax returns are subject to examination by the Internal Revenue Service for a three-year period from the later of the original due date of the return or the date the tax return was filed. As a result, the Association's federal income tax returns for 2017, 2018 and 2019 are open to examination by the Internal Revenue Service as of December 31, 2020.

**Note 4: FUTURE MAJOR REPAIRS AND REPLACEMENTS**

The Association's governing documents require funds to be accumulated for future major repairs and replacements. Accumulated funds, which aggregate approximately \$2,880,693 at December 31, 2020, are generally not available for operating purposes. Interest earned on such funds is allocated to reserves.

**CIRCLE C HOMEOWNERS ASSOCIATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Continued)**

A reserve study was conducted in May 2018 by an outside consultant to estimate the remaining useful lives and the replacement costs of the components of the common property. The estimates were based on current estimated replacement costs. The data included in the unaudited supplementary information on future major repairs and replacements is based on the study.

The Association is funding for major repairs and replacements over the estimated useful lives of the components based on estimated current replacement costs, considering amounts previously accumulated in the replacement fund. Actual expenditures, however, may vary from the estimated amounts and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet future needs. If additional funds are needed, however, the Association has the right, subject to board of director's approval, to increase regular assessments, levy special assessments; or delay major repairs and replacements until funds are available.

**Note 5: LANDSCAPING INCOME**

The Association invoiced a developer \$97,000 during 2020 that owns several properties in the Circle C development. The developer has agreed to reimburse \$97,000 annually to the Association for landscaping costs associated with its various development projects.

In addition, the Association has entered into an agreement with the City of Austin that requires the City of Austin to reimburse the Association for the costs of landscaping certain areas that lie within the Circle C development. In 2020, the Association billed the City of Austin \$17,600 for reimbursement of landscaping expenses according to the agreement.

**Note 6: CONCENTRATION OF CREDIT RISK**

The Association maintains its cash accounts at three financial institutions. Accounts at a bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. For the year ended December 31, 2020, funds on deposit with two institutions exceeded \$250,000. Management believes no significant risk exists with respect to cash and cash equivalents.

**Note 7: RELATED PARTY TRANSACTIONS**

The association contracts with two companies owned by one of the association members for landscaping and architectural review services. The association spent approximately \$1,397,533 for landscape services during 2020 and \$21,070 for architectural review services during 2020.

In addition, the member rents office space from the association. Total rent received in 2020 from the association member was approximately \$8,640.

**CIRCLE C HOMEOWNERS ASSOCIATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Continued)**

**Note 8: SUBSEQUENT EVENTS**

The Association has evaluated subsequent events through September 17, 2021, the date the financial statements were available to be issued, and no events have occurred from the balance sheet date through that date that would impact the financial statements.

**SUPPLEMENTARY INFORMATION**

**CIRCLE C HOMEOWNERS' ASSOCIATION, INC.**  
**SUPPLEMENTARY INFORMATION ON FUTURE MAJOR**  
**REPAIRS AND REPLACEMENTS (UNAUDITED)**  
**YEAR ENDED DECEMBER 31, 2020**

The Association hired an outside consultant to conduct a reserve study that was completed in May 2018. The purpose of the study was to estimate the remaining useful lives and the replacement costs of the components of common property. Replacement costs are based on estimates to repair or replace components as of the date of the study. Replacement costs do take into account the effects of inflation. The following information is based on the study dated May 2018 and presents significant information about the components of common property. The board has not designated the funds accumulated in the reserve account to specific components.
