

This is the Annual Report of the Board of Directors of the Circle C Homeowners Association. In this report we provide an overview of the activities and achievements of 2011 for the Association, as well as an outline of our proposed activities and goals for 2012. We believe that 2011 was a year of significant progress for the Association, and we are committed to continuing that progress in 2012. Our primary goal remains prese<mark>rvi</mark>ng

INTRODUCTION

From The President

By: Jason Bram

This past year was a very special year for Circle C. We took on the largest project in our history with the new Community Center and pool. This has always been in the overall plan of our neighborhood, but took many years and many volunteers to make it a reality. I want to thank current and past board members, those who served on the West Pool Committee and our HOA staff for all of their efforts. It was truly a group effort and one to take great pride in. I have no doubt that the Center will add immeasurable value to Circle C and keep us one of Austin's premiere neighborhoods.

The building will consolidate all of our Circle C HOA services and provide highly requested facilities for homeowner use. The adjacent recreational pool meshes with our existing Swim Center and between the two facilities residents will have options for everything from serious swim training to fun family gatherings or quiet sunbathing.

This year is a big year for other development as well. The Alamo Brafthouse and other businesses are starting to open which will give us more of a selection for restaurants, doctor's offices and other

businesses within Circle C. We also have the University of St. Augustine building a campus near Kiker which is scheduled to open in September of this year. As an HOA we are also adding two new sections with Esquel/Avana eventually adding 169 lots and Greyrock Ridge eventually adding 368 lots.

As we approach our annual meeting in March, I ask that you take the time and fill out your absentee ballot or name a proxy. The absentee ballot and proxy can be found on the back of this year's first assessment which was mailed to you at the beginning of February. We need to have ten percent of members voting to have a quorum or we cannot conduct business at the annual meeting. This board has done a lot this year and the best way to thank them is to participate in the Annual Meeting and vote. Candidate biographies will be available on the website, so please take the time to research the candidates.

research the candidates.

The current Board of Directors would like to thank you for the opportunity to serve you. It has been an honor and we will continue to strive to keep Circle C the best and most sought after neighborhood in Austin.

Circle C Governing Documents

All of the Circle C HOA's defining documents can be found on the HOA website at www.circlecranch.info, under the Resource tab. Residents must register for the website in order to access the documents.

Board of Directors

The members of the CCHOA elect a volunteer Board of Directors (BOD) to run the Association. The board consists of seven people, all of whom must be property owners. Directors are elected for three year terms. We have two director seats that expire in 2012 (Joel Pace and Brad Compere). Rob Johnson, Russ Hodes and Chris Poynor's terms expire in 2013. Jason Bram and Steven Urban's terms expire in 2014.

As of this writing the CCHOA BOD has five officers: President (Jason Bram), Vice President (Brad Compere), Treasurer (Russ Hodes), Secretary (Chris Poynor) and Development Officers (Jason Bram and Joel Pace). Steve Urban and Rob Johnson also serve on the board. You can email the board at directors@circlecranch.info

Operations Staff

- Operations Manager:
 Denise Nordstrom, CMCA, AMS
- *Financial Manager:* Terri Giles, Giles & Shea
- Operations Support Staff:
 Gale Foster and Ashley Gladden
- Facility Maintenance Coordinator: Robert Bardeleben
- Aquatics Director: Brandon Ducote, MS, LGI, CPO

Public Board Meetings

The CCHOA BOD holds monthly board meetings that are open to residents, currently scheduled at 6:30PM on the fourth Wednesday of each month. Beginning with the March 2012 board meeting, the location will be at the new Community Center. We allot time at the beginning of each meeting for a Homeowners Forum that allows residents to address the board.

Architectural Control Committee

- Committee Members:
 - A.E. Martin, former CCHOA Board Member
 - Laura Sherman, AIA Registered Architect
 - Trent Rush, Principal, TBG Partners, Reg. Landscape Architect
- New Homes Reviewed: 73 new homes were reviewed. These were homes by D.R. Horton, KB Home, and Standard Pacific Homes

• Remodels/Residential Projects:

The ACC reviewed 109 residential projects

The Architectural Control Committee also created new guidelines for Water Wise landscape installations in the front yard go assist residents in revamping their landscapes to meet drought conditions.

• Current Circle C Residential Builders for New Homes:

- KB Home—Fairway Estates and Golf Course Estates
- Standard Pacific—Avana
- D.R. Horton is finishing their last homes in Alta Mira

• Upcoming Residential Development

- Six lots are available on the east side of Barstow to be built by Origin Homes
- Twenty two lots will go under development in the near future on the west side of Barstow with homes by Streetman Homes.

Annual Meeting for Members

The CCHOA holds its Annual Meeting in March. The Annual Meeting agenda includes election of directors, a financial review, and an operational report to members. In 2011, the HOA made a few changes to the

Annual Meeting in an effort to obtain the 10% quorum needed to call the meeting. The meeting is now held the week prior to Spring Break; the ballot and proxy are now included on the back of the February HOA assessment. The 2012 Annual Meeting will be held on Wednesday, March 7 at 6:30pm at the Circle C Community Center. Please be on the look-out for the February assessment with ballot and proxy on the back. We encourage everyone to attend the Annual Meeting as well as vote in the 2012 Board of Directors election.

Communications

There are several ways to contact the Association. You can submit a concern, report a deed violation or ask a question via the HOA website at www.circlecranch.info. You can email or call our manager, Denise Nordstrom. Her phone number is 512-288-8663, and her email address is info@circlecranch.info. You can speak to the Board at the monthly board meeting or send them an email at directors@circlecranch.info.

We have several ways we use for neighborhood communications. Our web page is at http://www.circlecranch.info (please register if you haven't already), we publish a newsletter monthly, sent to your home by first class mail. We maintain ten marquees around the neighborhood for announcements.

We also utilize a Community Email database for Circle C HOA announcements. Please take a moment to sign up to receive timely HOA news via email by logging onto: www.circlecranch.info

Landscape Report

We have to say that by far, 2011 was the most challenging year for landscape maintenance due to the extreme weather conditions. For the first time in my experience, we had three days of continuous freezing temperatures which affected our vegetation. Then we moved to one of the driest and hottest years on record and the implementation of Stage 2 water restrictions with the City of Austin. The extreme heat and limited water was hard on the landscaped areas, however, they have bounced back pretty well with the December soaking rains. Much of our time was spent hand watering trees and plants throughout the year.

STANDARD MAINTENANCE:

The Circle C Commons areas were maintained according to the contracted schedule for mowing services, trash pickup, bed pruning and care, mulching, fertilization and water management.

CAPITAL IMPROVEMENTS

- Infrastructure Improvements:
 - Drip Irrigation has been installed under all hedges that line the commons areas
 - Bubblers were installed to young trees
 - Quick Couplers (secured hose bibs) were installed along the common area medians
 - Irrigation Central Control was upgraded with new controllers and radios

• Turf Improvements:

Due to the drought, the turf improvements were delayed until

• Bed Upgrades:

Bed upgrades continued throughout, and emphasis was on using rock work to eliminate the need for irrigation in locations such as median tips which are difficult to water efficiently.

• Outlying Areas:

Several of our enclosed greenbelts and drainage areas located close to homes and inaccessible for fire protection were cleared of debris, dead trees, dead cedar, and trimmed up to meet Firewise specifications set by the State of Texas.

LANDSCAPE LIGHTING UPGRADES

solar lighting was installed in all of the outlying mail centers that do not have electricity; replacement lighting was added in several areas

New Community Center and Pool Report, Jason Bram

(President and Development Officer)

The HOA was very busy in 2011 working on the construction of the new Community Center and Recreational Pool at the corner of La Crosse Avenue and Spruce Canyon. The site location and a 1.3 million dollar amenity fund were transferred to the HOA

Continued on pg. V

Circle C Commons Area - Continued from page IV in 2009. The Board unanimously voted to approve a \$4million dollar project (\$2 million of which is a loan) and went through a series of plans and negotiations to bring the project just under the total \$4million. Due to a conservative spending cycle in 2010 and 2011, the HOA was able to carry over enough cash to allocate an additional \$220,000 towards the project in 2011. This allowed the Board to revert to original materials in various areas of the project and to accommodate unforeseen changes from the original plans. This project has by far, been the largest the HOA has overseen and we are excited to unveil Circle C's largest and newest amenity to the membership.

Commercial Development Report STRATUS PROPERTIES

• Tract 107:

Stratus Properties has almost completed construction on the south side of Slaughter and MoPac of a new commercial center. The initial phase includes Alamo Drafthouse (approximately 38000 square feet), Austin Diagnostic Clinic (15,000 s.f.), and two retail buildings. Tenants for the retail buildings include Coffee Bean and Tea Leaf, ATX Bikes, Z Pizza, TCBY, AT&T, KOKO Fit Club, a dentist and nail salon.

• Tract 110:

The University of St. Augustine, a post graduate physical therapy college, purchased a tract of land from Stratus at the corner of MoPac and La Crosse. They are planning to build a post-graduate physical therapy college. They have begun construction and plan to finish by mid-summer.

Financial Report

(for the period ending December 31, 2011)

The CCHOA Treasurer has very specific responsibilities, which are detailed in our By-Laws (Article VIII, section 8, (d)). Those duties include ensuring that our funds are collected and accounted for in the bank accounts and books, securing the annual audit, and reporting our financial condition at the annual members meeting.

The CCHOA completed 2011 under budget and we borrowed two million dollars for the new Community Center and Pool

- Income was \$2,914,276 (vs. \$2,689,592 2,428,424 last year)
- Expenses were \$2,280,416 (vs. \$2,372,782 2,288,882 last year)
- Retained Earnings \$633,860 (vs. \$316,810 139,542 last year)

The income break-down is \$2,382,837 from HOA dues (82%) and \$531,439 from other sources (18%). Under expenses, \$1,008,818 (44%) was for landscaping services, \$547,748 (24%) for the swim center, \$240,542 (11%) for capital improvement projects and \$483,308 (21%), for operations. The Delinquency rate for the HOA dues was slightly higher than last year (2.3% vs. 1.1% in 2010).

CCHOA used a combination of their dedicated reserve funds, the developer collected Amenity Fund, and a 10-year mortgage loan to finance the Circle C Community Center (CCCC). Our minimum loan payment is \$173,000 per year and our budget assigns \$266,000 for debt repayment (pay off estimated in 7 years). The interest rate is expected to be 4.75 % or less. We will pay half of one percent for the loan origination fee. The closing has not been scheduled, but it should be in late March or April.

The developer continues to collect an Amenity fee for every home sold in Circle C Ranch and will continue to add to this fund, as new lots are sold to home builders. The result is that CCHOA can anticipate more than \$600,000 of income over the next 10-15 years, which goes into the

capital improvements and amenities for the neighborhood.

Greyrock Ridge is the newest section of Circle C Ranch (at the corner of Mopac and SH 45), which includes 385 lots. It was formerly known as Wildflower Commons, but the project has changed back to residential, single family homes.

The Avana neighborhood (163 lots) is being built by Standard Pacific. It is the first of three sub-divisions, totaling 388 lots along Escarpment Blvd, south of SH 45. All of these new residents are members of Circle C Ranch and CCHOA. They do pay HOA dues, they will share our amenities and they will contribute additional amenities.

CCHOA continues to maintain reserve funds for emergencies. The goal of the General Reserve fund is to cover 10% of our annual expenses (roughly, one month of operating expenses). The West Pool Reserve Fund (\$225,266) was used on the new CCCC project and that account has been closed. These are the current fund sizes for 2011:

- The General Reserve Fund is \$211,589.
- The Swim Center Reserve Fund is \$93,055.

Stephen M. Tilson PC prepared our state and federal tax returns for 2010 and the following was paid in 2011.

- Federal Income tax was \$0.
- The Texas Franchise Tax was \$15,465.

The required annual audit was completed by Stephen M. Tilson, PC. The inspections took place during the summer of 2011, for the budget year that ended on December 31st, 2010. The CCHOA budgets and audits are always available for inspection, by any HOA member at the HOA office, during the usual office hours.

All of the board members participated in preparing the 2012 budget this year. As always, we look forward to answering your questions at the annual meeting, on March 7th, at our new Community Center, next to Clayton Elementary school.
