Board of Directors Report to the Members March 2019

This is the Annual Report of the Board of Directors of the Circle C Homeowners Association. In this report we provide an overview of the activities and achievements of 2018 for the Association as well as an outline of our proposed activities and goals for 2019. We believe that 2018 was a year of significant progress for the Association, and we are committed to continuing that progress in 2019. Our primary goal remains preserving and improving the Circle C Ranch subdivision.

INTRODUCTION FROM THE PRESIDENT, Russ Hodes

2018 has been a great year for Circle C HOA. The HOA completed its first Reserve Study which cover lifecycles for each of our assets, from the irrigation infrastructure, parks, pools and Community Center. In conjunction with the Reserve Study, the HOA starts a Long-term planning list which covers repairs/replacements that are needed to improvements that residents would like to see in the community. One item that the HOA is focused on is the aging irrigation infrastructure throughout Circle C. The board hired Hitchcock Designs to do a redesign of the landscaping/irrigation on Escarpment Blvd, from the bridge to Aden Lane. This project is expected to take 3-5 years to complete.

Circle C now has 4 pools, 6 pocket parks and trails for the residents to enjoy. The Swim Center is also home to the Circle C Café which is owned and operated by residents Tray & Emily Horvath. The Swim Center pool is open year-round. It is heated during the winter and kept at 82'. The Community Center, Avana and GreyRock pools are seasonal pools and each pool can meet the needs of all the different user groups. Pool safety is still a high priority for the Board and staff. Increasing the number of lifeguards at the pool and implementation of new policies have helped to keep all residents safe at the pool. Circle C currently has 10 full time staff and during the pool season we have 125 seasonal employees.

Circle C has two Elementary schools and will have a third opening south of SH45 in the fall of 2020. Gorzycki Middle School is located on Slaughter Lane and Veritas Academy at the south end of Escarpment Blvd. We have two childcare/preschool facilities within walking distance from Kiker Elementary, the CDC which is a non-profit and Xplor.

The HOA continues to work on the irrigation infrastructure, upgrading bedding areas and adding river or flat rock where needed. The last sections of Circle C are being developed. Avaña, GreyRock, Avaña Estates and Hillside Estates are still being developed and built out. There is a new gated community called Lacrosse @ Circle C that will have 25 single family homes and is currently being developed next to St. Augustine. The Community Center continues to be a success and has been heavily used. It is a great place for our residents to gather for neighborhood functions, personal gatherings, kids summer camps and a variety of fitness programs. Food Trailer Nights have continued to be a huge success and will continue through 2019 and hopefully many years to come.

As we continue into 2019, there has been significant changes to the MoPac area at Slaughter Lane, La Crosse Ave & MoPac/SH45. In 2018 there has been significant work done at the Slaughter/Mopac by TxDot/Webber. A new bridge was built and the MoPac lanes were

constructed to go under the bridge (not all lanes are open). TxDot/Webber continue to work on this project which includes building a new bridge at MoPac/La Crosse which will include 4 lanes going under the La Crosse bridge. Once this project is complete, there will be addition pedestrian shared sidewalks and more trail connections that will make it easier to reach the Violet Crown Trail (Barton Springs to Kyle) and to cross Slaughter Creek. The SH45 project is getting closer to completion (est.Spring 2019) which will connect FM1626 to MoPac and/or SH45. At the MoPac/SH45 intersection, there will be a parking area for folks to walk or ride bicycles on the newly installed pedestrian shared sidewalks.

As we approach our annual meeting in March, I ask that you take the time to fill out your absentee ballot, name a proxy or cast your vote online through the website. The absentee ballot and proxy can be found on the back of this year's first assessment which was mailed to you at the beginning of February. We need to have ten percent of members voting to have a quorum or we cannot conduct business at the annual meeting. The Board introduced Online Voting this past year with great success which helped us reach quorum prior to the meeting with a record 28.19% quorum. This Board has worked hard this year and the best way to thank them is to participate in the Annual Meeting and vote. Candidate biographies are available on the website, so please take the time to research the candidates.

The current Board of Directors would like to thank you for the opportunity to serve the community. It has been an honor and we will continue to strive to keep Circle C the best and most sought-after neighborhood in Austin.

Landscape Services, 2018

Circle C Landscape continued to provide landscape maintenance and irrigation services for 2018. New capital projects were also implemented after being identified on the CCHOA Long-term Planning report to bring outdated landscape areas up to current standards. A complete copy of a detailed Annual Report presented to the CCHOA Board of Directors can be found at www.circlecranch.info.

Landscape Maintenance Services which include all mowing, weeding, pruning, trimming, trash pick-up, irrigation monitoring and repair were performed according to the specifications of the landscape contract. The services occur year-round and Circle C Landscape provides a highly trained and experienced crew six days per week on the property.

The Green Community Landscape & Irrigation Model for all Circle C landscaping continues to be the standard of operations for the community. This includes focused efforts on water conservation, drought tolerant vegetation, limited turf areas, tree diversification, use of rock work in applicable areas, conversion of standard irrigation to drip irrigation where possible, and limited use of herbicides and pesticides.

Water Management and Irrigation Management. In coordination with the CCHOA, Circle C Landscape provides two complete irrigation system checks, and instigates repairs based on requests from the CCHOA and from field observation. The goal is to enhance irrigation efficiency and promote water conservation. Circle C Landscape also coordinates and supervises any required water audits by the City of Austin.

Tree Care for the 2700 shade trees on the property is supervised by Circle C Landscape.

Capital Improvements included the following for 2018:

- Renovation of the Doswell median in accordance with the Green Community & Irrigation Model.
- Repaired the Cornerstone drainage issue at the entrance and corrected the issues with the irrigation system, installed new drainage rock and Palisades Zoysia turf.
- Renovation and installation of patio stone and river rock to the South Bay mail center
- River Rock and Patio Stone added to the Doswell side strip.
- Redesign of the two corners on the north side of the La Crosse at Dahlgreen to correct visibility issues.
- Participated in a joint project with Park West HOA to renovate Park West Pass and Fox Creek entries according to the Green Community Landscape and Irrigation Model.
- Supervised ball moss removal and tree health pruning on Escarpment.

Construction Repair and Consultation.

- Due to the extensive construction by outside contractors on the common's areas, Circle C Landscape provided expertise and repairs as requested by the CCHOA for instances where contractors are installing improvements in irrigated and landscape areas.
- Circle C Landscape has informed the CCHOA Board of Directors of the status of the irrigation systems in the older areas. These systems are 30 plus years old and at the end of their life. Circle C Landscape suggested staged improvements on these areas.
- Circle C Landscape consulted with the planners for the CCHOA reserve study which shows how resources should be allocated across the community to maintain current standards.

Financial Report (for the period ending December 31, 2018)

The CCHOA Treasurer has very specific responsibilities, which are detailed in our By-Laws (Article VIII, section 8, (d)). Those duties include ensuring that our funds are collected and accounted for in the bank accounts and books, securing the annual audit, and reporting our financial condition at the annual members meeting.

The CCHOA completed 2018 under budget.

Income was \$4,159,607 (vs. \$3,801,219 last year).
Expenses were \$3,944,933.15 (vs. \$3,690,200 last year)
Retained Earnings \$4,950,157 (vs. \$4,836,245 last year)

The income break-down is \$3,365,165 from HOA dues (81%) and \$794,441 from other sources

(19%). Under expenses, the larger categories were \$1,602,367 (41%) for common area services, \$1,169,322 (31%) for the Aquatics Facilities, \$220,567 (6%) for capital improvement projects and \$869,803 (22%), for operations. The Delinquency rate for HOA dues remains the same as last year at 2.8%.

The developer continues to collect an Amenity fee for every home sold in Circle C Ranch and will continue to add to this fund, as new lots are sold to home builders. The result is that CCHOA can anticipate more than \$600,000 of income over the next 10-15 years, which goes into the capital improvements and amenities for the neighborhood.

CCHOA continues to maintain a reserve fund for emergencies. The goal of the Reserve fund is to cover 10% of our annual expenses. This is the current fund size for 2018:

☐ The General Reserve Fund is \$713,587

The required annual audit was completed by Stephen M. Tilson, PC. The inspections took place during November of 2018, for the budget year that ended on December 31st, 2017. The CCHOA budgets and audits are always available for inspection, by any HOA member at the HOA office, during the usual office hours or can be found on the CCHOA website at www.circlecranch.info.

All of the Board members participated in preparing the 2019 budget this year. As always, we look forward to answering your questions at the annual meeting, on March 6th at the Community Center located at 7817 La Crosse Ave.
